

VegNet Vol. 6, No. 1. January 20, 1999
Ohio State University Extension Vegetable Crops

A New Season.

Welcome to the start of the sixth year of VegNet. This is one of our Resource Issues. We begin this year by announcing the availability of several publications, research reports, and special meeting announcements that will help you make better management decisions in the 1999 season.

1999 Ohio Vegetable Production Guide - Now Available

New to the 1999 edition are new chapters on herb and oriental vegetable production plus weed control by Dr. Doug Doohan. The guide also contains the latest pesticide updates, and new information on TomCast and ICM.

The bulletin is available through your local extension office or through Janis Cripe, Publications Office at 614-292-1607. The base price is \$4.25 to which you must add taxes and postage. Ask for Bulletin # 672. The OH Vegetable Production Guide will be on sale at the OH Fruit and Vegetable Congress, Feb. 3-5, 1999 at the Seagate Center in Toledo, OH.

Research Reports Now Available - See Below

Several research reports are now available from individual researchers. This is not a complete listing and we will continue to list others as we hear about availability.

Return to Vegetable Crops Homepage Ohio State University Extension

We appreciate very much the financial support for this series of vegetable reports which we have received from the board of growers responsible for the Ohio Vegetable and Small Fruit research and Development Program. This is an example of use of Funds from the "Assessment Program".

Where trade names are used, no discrimination is intended and no endorsement by Ohio State University Extension is implied. Although every attempt is made to produce information that is complete, timely and accurate, the pesticide user bears the responsibility of consulting the pesticide label and adhering to those directions.

Issued in furtherance of Cooperative Extension work, Acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture, Keith L. Smith, Director, Ohio State University Extension.

All educational programs and activities conducted by Ohio State University Extension are available to all potential clientele on a nondiscriminatory basis without regard to race, color, creed, religion, sexual orientation, national origin, sex, age, handicap or Vietnam-era veteran status.
